A LITTLE BIT

We, **ROnex International** introducing ourselves to you as a Scientific Company. We are involved in Sales & Marketing of various types of Scientific products for any Industry sector. **ROnex International** started its operation as an Importer, Distributor & Supplier of various types of Laboratory Digital instruments & materials. Basically, we deal in Scientific products such as Digital Weight Scales, Laboratory QC Instruments, Glassware and Chemical so on, for Garments Factory, Textile Industry, Composite Mill, Knitting & Dyeing Industry, Pharmaceutical Industries, Medical & Hospital sector, Research Institutes, NGO & Universities.

Company Profile

Company established in 2006 in Bangladesh. We are long time making good business in this field. We obtained customer satisfaction. Quality and reliability is our tradition. We always protect buyer interest for regular business and you will get always our cooperation. We always try to maintain Quality product, Reasonable price, Commitment and best services. Customer satisfy is our obtain.

We Make Quality Brand

We never compromise with the quality of our supply products, and hold the moral of fair business practices and ethics in a very high position. Providing you the best quality products at reasonable price is our mission. Our first priority is product's quality & service and we sell the Benefit of products.

Our motto is long term relation with customers than business. We always provide back up support and after sales service and stands as a reliable support to you at any time. We are taking it as a challenge to satisfy your needs. Please give us a call to discuss your requirements.

Our Mission

To achieve the heights and peaks of everlasting success. We are providing our valued customers the quality products. Timely service and related technical service thru product development, innovation and acquisition of technology. The contentment of our customers as well as our employees is a major part of our mission.

Business Activities

Importer, Indenter, Distributor, Wholesaler, Retailer @ Supplier.

Business Field

Textile, Knitting, Dying, Spinning, Garments, Water Treatment Plant, Pharmaceuticals, Medical, School, College, University, Cement, Paper Industry, Food processing, Educational Institute, Environment, Agriculture, Paltry Feed, etc........

WE KEEP
OUR PROMISE

QUALITY
We promise to consistently deliver the highest quality products in the industry.

SERVICE
We promise to provide you with the very best customer service experience.
DEPENDABILITY
We promise to be the company that you confidently can depend on.

INNOVATION
We promise to continually innovate and bring you cutting edge technology.

## Proposals

Laboratory Glassware & Chemical

Laboratory Testing Equipment

Electronic Digital Weighing Scale & Balance

Textile Lab Testing Consumable

Electrical Measurement Tools, Meter & Tester
